

# Discovery trail - The forest tells the story of Man

Balades et randos région de Saumur - Brain-sur-Allonnes

*Right from the start, you're plunged into the heart of the forest, in the shade of the pines, chestnuts and other species found here. This trail is ideal for families.*

The Brain-sur-Allonnes forest is full of stories to tell. Domestication of the forest, exploitation of the subsoil, use of tree sap... People have always left their mark. From prehistory to the present day, the trail invites you to travel through time.

Follow the signposts and try to discover the secrets of the robinia. Continue your journey through the ages and discover the living quarters of our ancestors or the ruins of a fortified house, the last witnesses of the Middle Ages. Finish your visit by imagining the forest of tomorrow...
